Dear Jathwet Al-Janoob for Trading and General Contracting,

**Fair Canada Ltd.** is pleased to explore a cooperative relationship with **Jathwet Al-Janoob for Trading and General Contracting**. Since our founding in 1991, we have built a reputation for **speed, accuracy, and tailored solutions**, with a strong focus on **industrial equipment sales** and a commitment to exceptional customer service.

We offer a wide portfolio of industrial solutions designed to address critical challenges across sectors such as **oil and gas, power generation, chemical processing, and water and wastewater treatment**. This includes:

- **Advanced air pollution control systems** that ensure compliance with environmental standards while improving plant efficiency.
- **Heavy-duty industrial fans and process air handling equipment** engineered for durability and optimized performance in demanding applications.
- **Specialized thermal equipment and heat management solutions** that deliver reliable performance and efficiency for complex process environments.
- **High-performance power transmission products**, including industrial clutches, that provide precision, reliability, and long service life.
- **Water and wastewater treatment equipment**, such as clarifier drives and industrial strainers, built to support long-term operational stability.

At Fair Canada, we place a high priority on ensuring products are delivered **on time and to exact specifications**. We see Jathwet Al-Janoob as a valued partner in managing the integration and installation of these solutions. We are prepared to begin supplying equipment as of **September 2, 2025**, and will maintain regular communication to ensure a smooth and effective partnership.

Both parties will uphold confidentiality, with **pricing and payment terms** to be finalized in subsequent agreements. Fair Canada will continue to provide **dedicated support and service** as needed. We believe this cooperation will be mutually beneficial and look forward to working closely with your team.

Sincerely,

Nick Holoboff  
Director and General Manager  
Fair Canada Ltd.
