

Support Letter

To: Ministry of electricity in Iraq MOE,

LONGi Solar Technology Co., Ltd. hereby confirms its full support for the cooperation between Kaval Industries Ltd. and JATHWET ALJANOOB Co, in the field of solar energy development. The term of such support shall be one (1) year commencing from the date of execution of this confirmation and expiring on the same date of the following year.

We understand that JATHWET ALJANOOB is currently in discussion with the Iraq government to establish a cooperation agreement to promote solar energy projects under governmental support. All related procurement orders under this project will be exclusively managed and fulfilled by Kaval Industries Ltd. and JATHWET ALJANOOB.

we will provide support including, but not limited to:

- Timely supply of solar modules and related materials
- Technical consultation and system design support
- Engineering support and after-sales services
- Training and capacity building as required by the project

We believe this collaboration will significantly contribute to the success of solar energy initiatives in MOE Iraq.

Please do not hesitate to contact us should any further clarification be required.

Sincerely,

LONGi Solar Technology Co., Ltd.
